OF WEST ALABAMA

Boys & Girls Clubs Provide

Safe spaces where kids can play, learn, laugh, and discover new interests during out-of-school time, including summer.

Life-changing programs that help youth grow in three key outcome areas: Academic Success, Good Character & Citizenship, and Healthy Lifestyles.

Opportunities to **build new skills** so young people can succeed, explore their talents, and be recognized for their accomplishments.

Supportive relationships with caring adults and peers that foster belonging, responsibility, and a strong sense of community.

“Going to the Boys & Girls Club after school feels like going to a second home - **a place where I truly belong.**”

- Kayla Sims, HCMS Member
