HISTORY

Now heading into its **36th** year, the **Mal Moore Memorial Golf Tournament** started in 1990 as the *Wimp Sanderson Boys Club Charity Golf Tournament*. David Hobbs and Mark Gottfried served as hosts after Wimp until Mal Moore took the position in 2000. Mal remained with the tournament until his death in 2013. Now in their 6th year, Greg and Regina Byrne serve as hosts.

All proceeds from the event benefit members of Boys & Girls Clubs of West Alabama and ensure at-risk children and teens in our community have a safe and life-changing place to be after-school and during the summer.

BOYS & GIRLS CLUBS OF WEST ALABAMA

Our nationally-proven programs are led by trained **youth development professionals** dedicated to helping and inspiring our Club members to stay on the path toward a great future.

We currently have three standalone Clubs and four school-based sites, with plans to expand in other areas so we can reach as many local youth as possible with **life-changing opportunities**.

Club membership is **extremely affordable**—less than \$3.50 a day at standalone sites during the school year, and scholarship assistance is available for families facing financial hardship.

The Club door is **open during critical out-of-school hours** when thousands of West Alabama children and teens might spend time alone, unsupervised and possibly engage in risky behaviors.
